Negin Sang Kavir Co. at a Glance

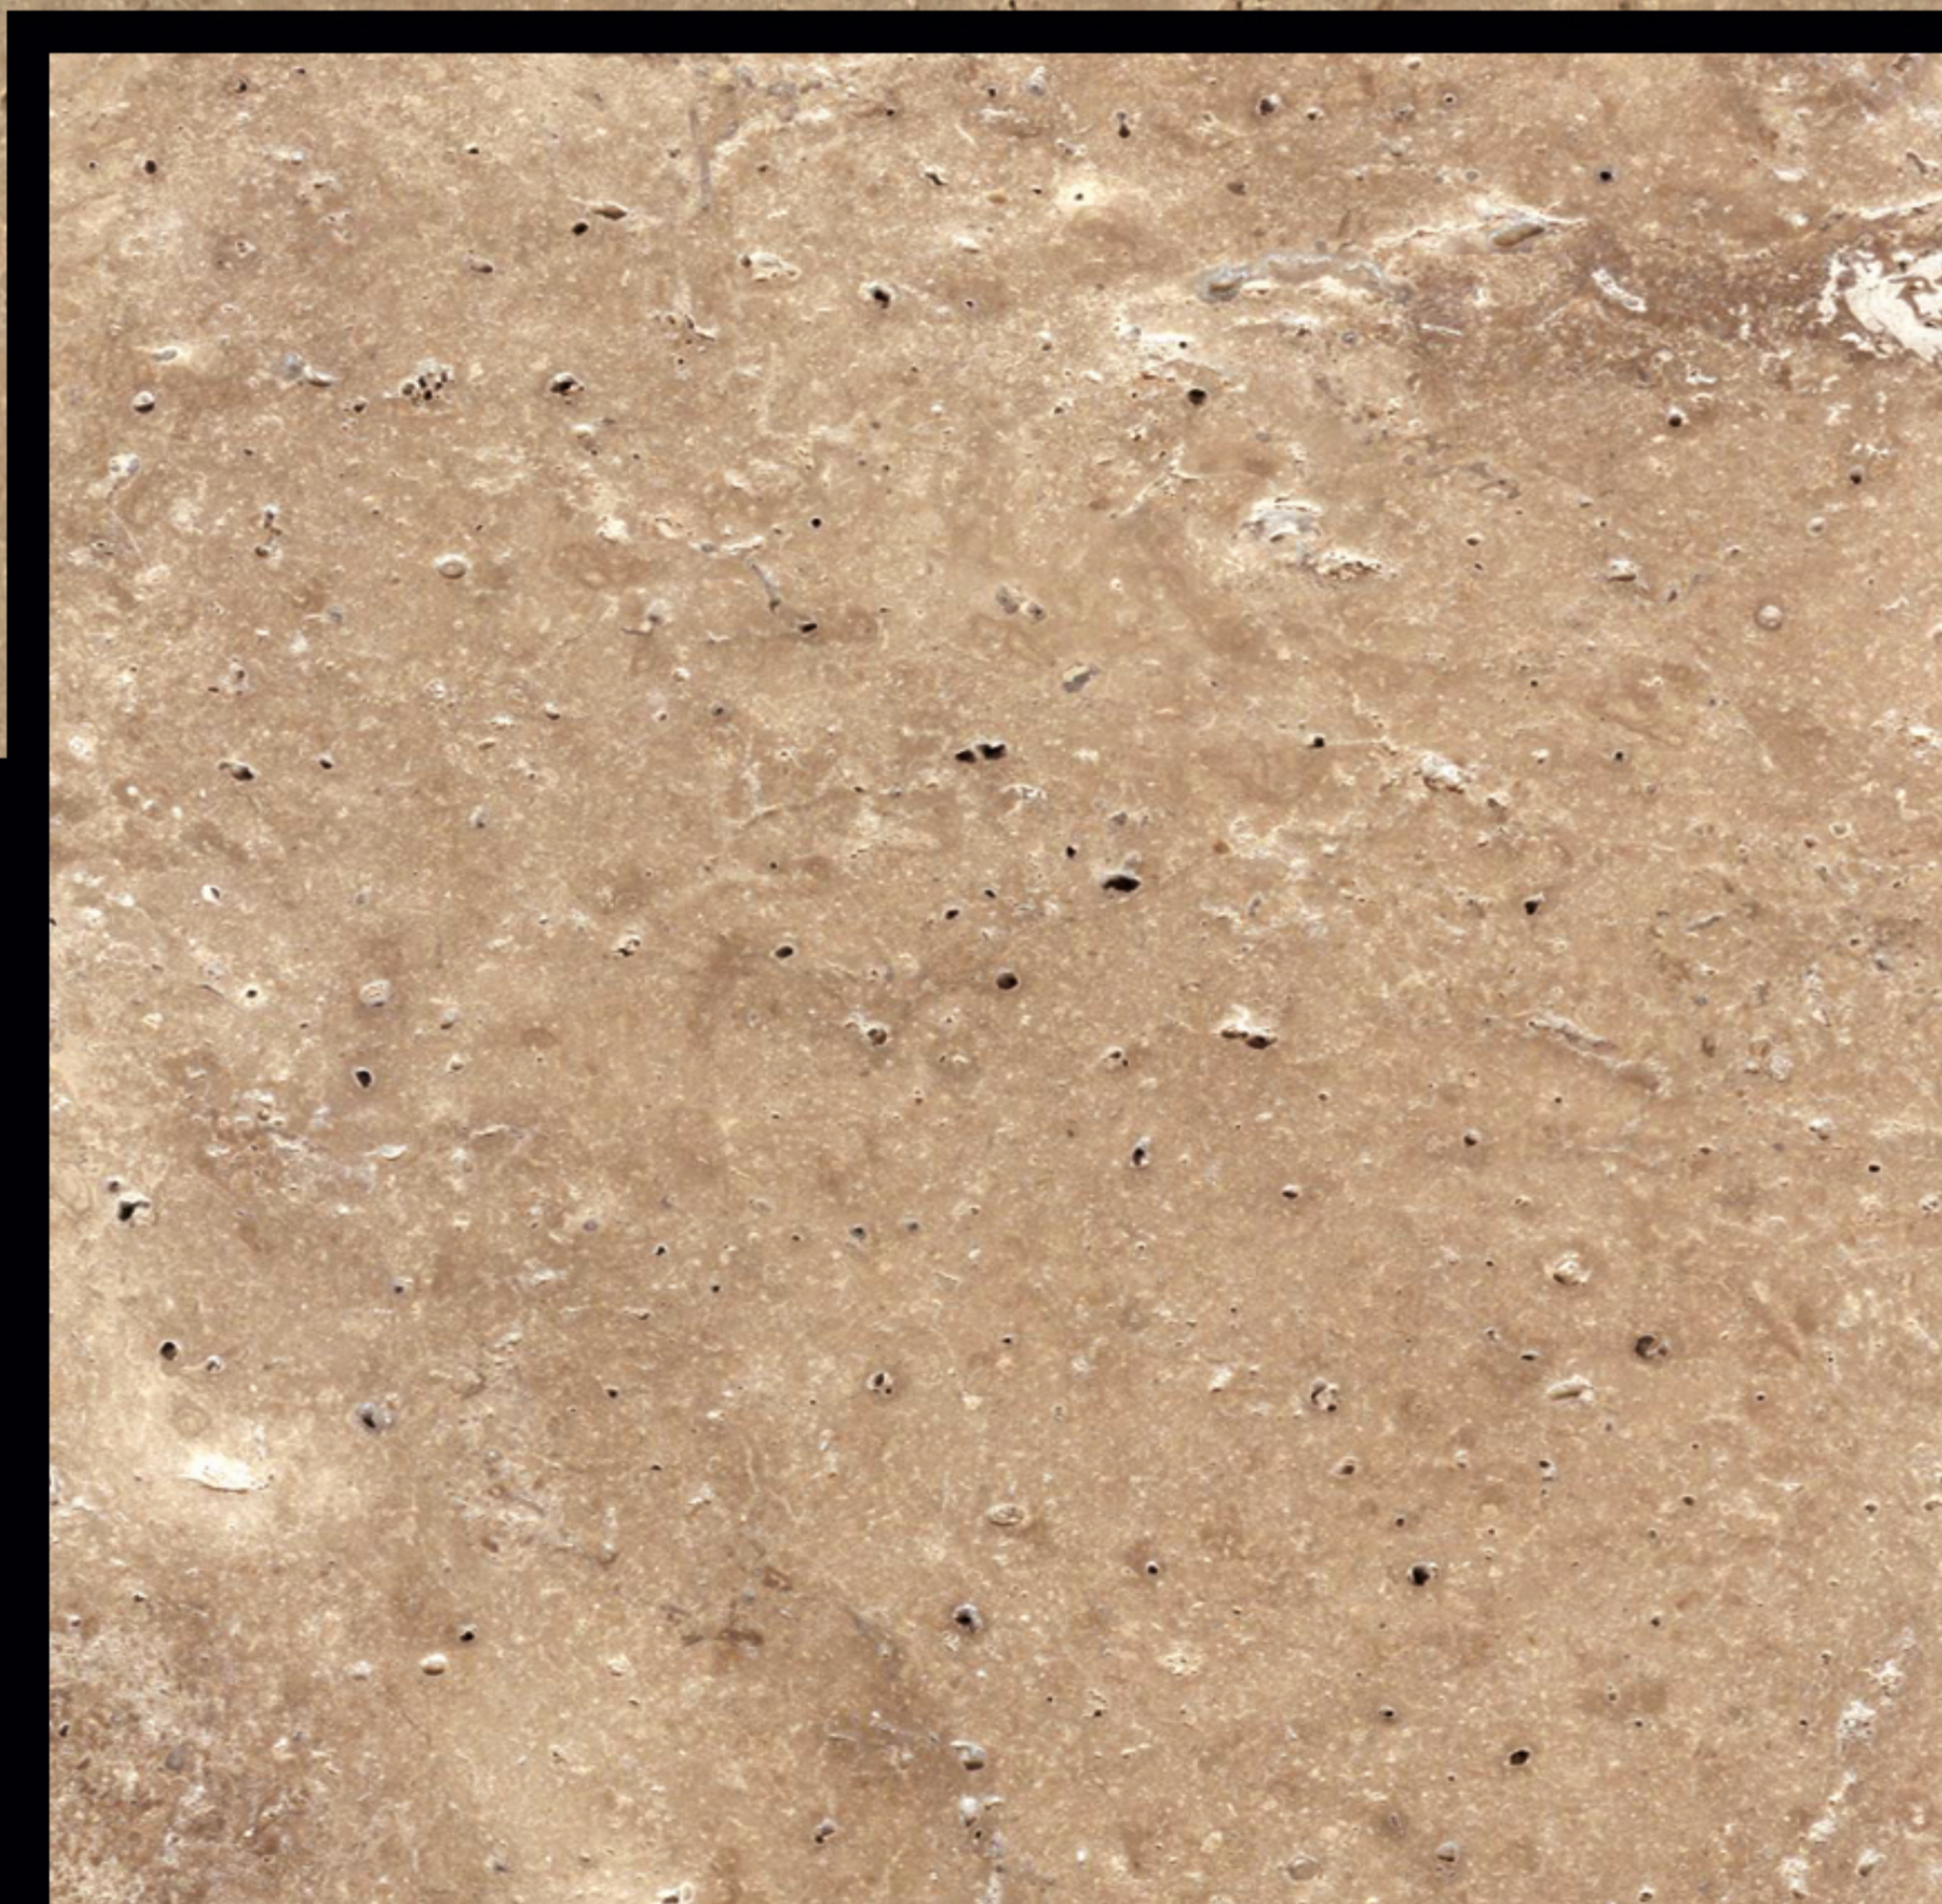

Negin Sang Kavir Co. (P.J.S), registered on March 06,2005 in Isfahan under No: 24265 to produce and export natural building stones and import stone processing accessories and machinery. Company's current activities is in the following areas:

- Extraction and processing of blocks from two Travertine and Limestone quarries
- Production and processing of building stones in two production units to export
- Import of machinery and stone industry requirements from China

Negin Sang Kavir Co. as the owner of 3 quarries, **Cream Limestone** one located in south-west of Isfahan , **Cream and Beige Travertine** quarry in east of Isfahan and **Brown Limestone** in Kurdistan Province with a total capacity of about 50,000 tons per year, has provided a good possibility to supply export blocks and raw material for it's units. Processing units of Negin Sang Kavir Co. located in Industrial zones of Mahmoud Abad and Sejzi, equipped with updated Italian and Iranian machinery and technology, are proud to export to more than 38 countries.

120 people, including engineers and production staff in these units, relaying on the experience and effort, have caused this company be known as an Appreciable Exporter in Isfahan province by the Department of Commerce during last years. Company's import includes various processing and cutting machinery and consumable essentials of stone from China and Turkey with approved quality standards by production experts. Negin Sang Kavir company's commercial team is ready in all workdays to advise and response any question regarding company's Products, purchase information and transport from Iran to other countries.
